

HELPERS Papereater

Papereater is a line of services from Helpers dedicated to **bureaucracy and paperwork**. The services of **Papereater** come in three different packages and at corresponding pricing levels. Please note that *U`df]Wg`VY`ck`fll`j]`Yb`]b`9l`F`L`UfY`gi`V`Y`V`hc`&)i`J`5H`]Z`h`Y`gYfj`]W`]g`di`fW`UgYX`]b`<i`b[`Ufm* Here they are:

Economy Class

As part of this budget option, we send you a questionnaire to get the relevant information about you. Then we provide you with all the information you need to get your paperwork sorted out: we direct you to the relevant offices (give you the address, directions and opening hours), provide a checklist of what to take with you, and in general outline all the steps and schedule that you can expect – to save you from any major surprises! This **personalized check-list** costs **75 EUR**.

Business Class

If you're not comfortable with handling the authorities by yourself, don't have a clue where to go, or worry that you may be mistreated because you're a foreigner, but still want to follow through every step of the process yourself, this package is for you. After assessing your situation and providing you with a schedule, we accompany you wherever you need to go and help you overcome any problems that may come up on the spot. This package is basically a combination of the Economy Class package and our normal hourly Helpers service.

Research and preparation: 75 EUR

Personal assistance: 25 EUR/hour

First Class

If you choose this option, you can just relax because we'll do everything for you – whenever the authorities' regulations allow us to act in your place. Our helpers will come to you at a convenient time to pick up the papers you already have, fill in the forms and take them to the authorities, take a number, stand in line, speak or argue on your behalf – whatever it takes to get your paperwork sorted out. All you have to do is sign a couple of authorizations. This service level is priced depending on the paperwork you request.

Please refer to the next page for our service packages and price list!

Please look below for our **list prices**. All services can be ordered individually - and we offer **discounts for packages** or for **multiple orders**.

We also offer **bonuses with packages** – to make the transition easier for you.
