

## HELPERS – Problem-Solving Services for Expats

Our problem-solving services are simply priced by the hour, meaning that you can basically rent a helper to resolve a wide variety of issues for you. Depending on the nature of these tasks, we offer you two different rates:

### HOURLY RATES

#### StreetSmart Helpers - 25 EUR+VAT/hour

for tasks that require local knowledge and language skills

#### SeriouslySmart Helpers - 40 EUR+VAT/hour

for jobs that require specialized expertise (e.g. legal, financial)

### PRE-PAID PACKAGES

The pre-paid option is for our clients who wish to use 10 hours or more of our services. Besides offering a convenient solution for placing orders and dealing with payment, these packages also come with significant discounts:

	Regular price	Discount	Package price
<b>10-hour package</b>	250 EUR+VAT	10%	225 EUR+VAT
<b>20-hour package</b>	500 EUR+VAT	15%	425 EUR+VAT
<b>30-hour package</b>	750 EUR+VAT	20%	600 EUR+VAT

After you purchase a pre-paid package, we open a client account for you, which you can access and keep track of regularly. You are assigned a contact person and you're set: whenever you need something, all you need to do is call or write an email.

### Other pricing options:

For services that cannot easily be priced by the hour (e.g. property management, paperwork, translation), we offer various rates and packages. Just ask - we will be happy to discuss your particular situation and design a service package for you.
